TECHNICAL DATASHEET

SuirSafe Technologies

SURGICAL MASK TYPE IIR with ties

Product Code: SMTIIR-T (**Basic UDI-DI:** PP12054SMTIIR35177.29)

- 3 ply surgical mask with Suirsoft layer
- Fully compliant with EN 14683 Type IIR
- Hypoallergenic
- Made from 100% polypropylene
- BFE > 98%
- Single use

Surgical Type IIR mask with 3 layers, made from soft SMS polypropylene with **Suirsoft** inner layer, hypoallergenic and very comfortable to wear. The mask has high bacterial filtration efficiency (BFE> 98%) and is liquid repellent. Wearing the mask, it is easy to breathe due to its low breathing resistance. The mask has ties and adjustable nose piece. It is packed in boxes of 50 pieces.

Available colours: blue, green and white or a customized colour.
